Net Avenue Technologies Private Limited

Notes to the standalone financial statements for the year ended 31 March 2022
(All amounts are in thousands except share data or as stated)

1 Background

Net Avenue Technologies Private Limited ("the Company") was incorporated on 7 June 2001. The Company is engaged in the sale of Indian designer clothes and accessories online. The Company has its own portal "Cbazaar.com" in the Indian fashion e-tail space.

2 Significant accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these standalone financial statements.

2.1 Basis of preparation of standalone financial statements

The standalone financial statements have been prepared and presented in accordance with the generally accepted accounting principles in India ("Indian GAAP"). The standalone financial statements have been prepared to comply in all material respects with the Accounting Standards ("AS") notified under Section 133 of the Companies Act, 2013 and the other relevant provisions of Companies Act, 2013 as applicable. The standalone financial statements have been prepared on accrual basis under the historical cost convention.

The Company is a Small and Medium Sized Company (SMC) as defined in the General Instructions in respect of Accounting Standards notified under the Companies Act, 2013. Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company.

All assets and liabilities have been classified into current or non-current as per the normal operating cycle of the Company and other criteria as set out in Schedule III to the Companies Act, 2013. Based on the nature of the services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

As at 31 March 2022, the Company has accumulated losses of INR 450,908K, as against the share capital (along with the securities premium, stock option and general reserve) of INR 450,441K.

The Company has initiated various steps to improve the operational performance, liquidity, net worth by raising fresh capital through improved business plans (i.e., in terms of delivery and pricing of products), cost reduction to bring operational efficiencies, new strategic business alliances with other e-Commerce Companies, proposed increase in capital by way of equity infusion from its existing shareholders and other prospective private equity investors (including fresh foreign direct investment) which would require the Company to continue to comply with the Foreign Direct Investment Policy ('FDI'), FEMA regulations.

Also, in view of the continued support by the promoters ("Ritesh Katariya" and "Rajesh Nahar") through short-term loans, etc., negotiations with other e-commerce Companies for strategic business alliances, vendors for improved commercial terms, better credit and banking credit facilities, the Company believes that it would be able to realize its assets and settle its liabilities in the normal course at their carrying values and no adjustments would be required in respect of the carrying value of assets and liabilities as at 31 March 2022.

In connection with the preparation of the financial statements for the year ended March 31, 2022, the Board of Directors have confirmed the propriety of the contracts / agreements entered into by/ on behalf of the Company and the resultant revenue earned/ expenses incurred arising out of the same after reviewing the levels of authorisation, the documentary evidences and the overall control environment including compliance with all FDI, FEMA and other legal requirements of operating the business. Further, the Board of Directors have also reviewed the realizable/ carrying value of all the current/ non-current assets of the Company. The Board, duly taking into account all the relevant disclosures made, has approved these financial statements in its meeting held on 30th September 2022.

Accordingly, the financial statements have been prepared on a going concern basis.

Net Avenue Technologies Private Limited

Notes to the standalone financial statements for the year ended 31 March 2022

(All amounts are in thousands except share data or as stated)

2.2 Use of estimates

The preparation of standalone financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the standalone financial statements and reported amounts of income and expenses during the period. Actual figures may differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.3 Current–non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
 - it is held primarily for the purpose of being traded;
 - it is expected to be realised within 12 months after the reporting date; or
 - it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- Current assets include the current portion of non-current assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the company's normal operating cycle;
 - it is held primarily for the purpose of being traded;
 - it is due to be settled within 12 months after the reporting date; or
 - the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.
- Current liabilities include current portion of non-current liabilities. All other liabilities are classified as non-current.

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

2.4 Property, plant and equipment and depreciation

The cost of property, plant and equipment includes freight, duties and taxes and other incidental expenses related to the acquisition, but exclude duties and taxes that are recoverable subsequently from tax authorities. Borrowing costs directly attributable to acquisition of those property, plant and equipment which necessarily take a substantial period of time to get ready for their intended use are capitalized. Depreciation is provided on written down value method over the useful life as prescribed under Part C of Schedule II of the Companies Act, 2013. Pursuant to the above, the useful life of the assets are as below:

Category of asset	Useful life
Computers	3 years
Office equipments	5 years
Plant and machinery	15 years
Furniture and fittings	10 years
Vehicle	10 years

Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed.

Leasehold improvements are amortised using straight line method over the lease period.

Advances paid towards acquisition of property, plant and equipment and the cost of assets not ready to be put to use before the year end are disclosed under long-term loans and advances, and capital work in progress respectively.

2.5 Intangible fixed assets and amortisation

Intangible fixed assets are recorded at the consideration paid for acquisition including any import duties and other taxes (other than those subsequently recoverable by the enterprise from the taxing authorities), and any directly attributable expenditure in making the asset ready for its intended use. Intangible assets comprise primarily of software licenses that are amortized over their estimated useful life of 3 years.

Net Avenue Technologies Private Limited

Notes to the standalone financial statements for the year ended 31 March 2022

(All amounts are in thousands except share data or as stated)

2.6 Impairment

The Company assesses at each balance sheet whether there is an indication that an asset may be impaired. If any such condition exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciated historical cost.

2.7 Inventories

Inventories which comprise raw materials, work in-progress, finished goods and stock-in-trade are carried at the lower of cost and net realisable value. The comparison of cost and net realizable value is made on an item by item basis. Cost of inventories comprises of purchase costs, costs of conversion, and other costs incurred in bringing the inventories to their present condition and location. In determining the cost, specific identification method is used.

2.8 Income from operations and other income

Revenue from sale of goods including shipping charges is recognised on delivery of goods to customers, which generally coincides with the transfer of all significant risks and rewards of ownership to the buyer. Sale value of goods is exclusive of sales tax, returns, and inclusive of price adjustments and quantity discounts.

Dividend income is recognized when the shareholders' right to receive payment is established by the balance sheet date.

Interest income is recognized on time proportion basis.

MEIS income is recognized when there is reasonable certainty on the amount and its realization.

2.9 Investments

Investments are either classified as current or long-term based on the management's intention. Current investments are carried at the lower of cost and fair value. In case of investments in mutual funds, the net asset value of units declared by the mutual funds is considered as the fair value. Long-term investments are carried at cost and provisions are recorded to recognize any decline, other than temporary, in the carrying value of each investment.

2.10 Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the day of the respective transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate on the balance sheet date. Exchange differences arising on foreign currency transactions during the year and on restatement of monetary assets and liabilities are recognized in the statement of profit and loss of the year.

Integral foreign operations are those which carry on their business as if they were an extension of the Company's operations.

The financial statements of an integral foreign operation are translated into Indian rupees as if the transactions of the foreign operation were those of the Company itself.

2.11 Earnings per share

Basic earnings per share amounts are computed by dividing net profit or loss for the year attributable to equity shareholders by the weighted average number of shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit after tax attributable to the equity shareholders for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares).

In computing diluted earnings per share, only potential equity shares that are dilutive and that reduce profit / loss per share are included.

2.12 Leases

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Such assets acquired are capitalised at the fair value of the asset or present value of the minimum lease payments at the inception of the lease, whichever is lower. Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight line basis over the period of the lease.

Net Avenue Technologies Private Limited

Notes to the standalone financial statements for the year ended 31 March 2022

(All amounts are in thousands except share data or as stated)

2.13 Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Post-employment benefits

Defined contribution plan:

Provident Fund: A defined contribution plan is a post employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The company makes specified monthly contributions towards employee provident fund and pension to Government administered provident fund scheme and pension scheme which is a defined contribution plan. The Company has no further obligations under the plan beyond its monthly contributions. The company's contribution is recognized as an expense in the Statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plan:

Gratuity: The company's gratuity benefit scheme is the defined benefit plan. The company's net obligation in respect of the defined benefit plan is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The calculation of the company's obligation is performed by a qualified actuary using the projected unit credit method. The Companies gratuity scheme is administered by Life Insurance Corporation of India.

The company recognizes all actuarial gains and losses arising from the defined benefit plan immediately in the statement of profit and loss. All expenses related to defined benefit plans are recognized in employee benefits expense in the statement of profit and loss. When the benefits of the plan are improved, the portion of the increased benefit related to past service by employees is recognized in the statement of profit and loss on a straight line basis over the average period until the benefits become vested. The company recognizes gains and losses on the curtailment or settlement of the plan when the curtailment or settlement occurs.

Compensated absences: The employees can carry-forward a portion of the unutilised accrued compensated absences and utilise it in future service periods or receive cash compensation on termination of employment. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method as at the balance sheet date.

2.14 Taxation

Income-tax expense comprise current tax (i.e. amount of tax for the period determined in accordance with the income-tax law), and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is a reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at the balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

Current tax and deferred tax assets and liabilities are offset to the extent to which the Company has a legally enforceable right to set off and they relate to taxes on income levied by the same governing taxation laws.

2.15 Provisions, contingent liabilities and contingent assets

Provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. A disclosure of contingent liability is made when there is possible obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognized nor disclosed in the standalone financial statements.

Net Avenue Technologies Private Limited

Notes to the standalone financial statements for the year ended 31 March 2022

(All amounts are in thousands except share data or as stated)

2.16 Employee stock option based compensation

The Company calculates the compensation cost based on the fair value method, wherein the excess of the fair value of the underlying equity share as on the date of the grant of the option over the exercise price of the option given to the employees under the employee stock option scheme of the Company is amortised over the vesting period on a straight line basis. The Company follows the Guidance note on accounting for employee share based payments issued by Institute of Chartered Accountants of India for accounting for employee stock options.

2.17 Cash and cash equivalent

Cash and cash equivalents comprise of cash at bank and in hand and short-term investments with an original maturity of three months or less.

2.18 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit or loss before tax is adjusted for the effects of transactions of non-cash nature, any deferrals, or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(c) Terms/rights attached to equity shares

As at the balance sheet date, the Company has three classes of equity shares - equity shares, Series A equity shares and Series B equity shares, having a par value of Re.1 per share each respectively.

Each holder of equity shares shall have one vote per share. The company declares and pays dividends in Indian rupees. The dividend proposed, if any, by the board of directors is subject to the approval of the shareholders in the ensuing annual general meeting.

In the event of liquidation, the equity shareholders are entitled to receive any of the remaining assets of the Company, after distribution of all preferential amount. The distribution will be in the proportion to the number of equity shares held by the shareholders.

Terms/rights attached to preference shares

Compulsorily convertible and non cumulative Series A preference shares were issued at par on 28 April 2012 and each share is convertible into one equity share of Re.1 each upon the earlier of (i) 1 April 2032 or (ii) the occurrence of a strategic sale or (iii) one day prior to the filing of a red herring prospectus in connection with a qualified IPO of the Company.

Compulsorily convertible and non cumulative Series B preference shares were issued at par on 21 November 2014 and 15 December 2015 and each share is convertible into one equity share of Rs.1 each upon the earlier of (i) 21 November 2034 / 15 December 2034 or (ii) the occurrence of a strategic sale or (iii) one day prior to the filing of a red herring prospectus in connection with a qualified IPO of the Company; or (iv) as desired by the concerned Investor.

Preference share holders are entitled to a fixed preferential and non-cumulative dividend per such preference shares at the higher of zero point zero one percent (0.01%) or the pro-rata dividend declared and payable on the equity shares, on a fully-diluted basis. Preference shareholders carry a preferential right as to dividend over equity shareholders. In the event of liquidation, the preference shareholders have a preferential right over equity shareholders to be repaid to the extent of the paid up capital.

34 Employee benefits

Defined contribution plans

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, which is a defined contribution plan. The company has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue. The amount recognised as an expense towards contribution to Provident Fund for the year aggregated to INR 2107K (previous year : INR 1549K)

Defined benefit plans

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service costs and the fair value of any plan assets are deducted. The calculation of the Company's obligation under this plan is performed annually by a qualified actuary using the projected unit credit method. The gratuity plan entitles regular employee, who has rendered atleast five years of continuous service, to receive one-half month's salary for each year of completed service at the time of retirement/exit.

39 Employee share-based payment plans

(a)

During the year ended 31 March 2014, the Company had formed an ESOP trust, "Net Avenue Technologies Private Limited Employees Welfare Trust". The Company had framed the guidelines on issue of shares to its employees. The ESOP trust has purchased 46,980 shares from the shareholders and subscribed additionally for 38,420 shares issued by the Company at a premium of Rs 232 per share for the purpose of issuing it to the employees. Share premium of Rs 89,13,440 on these shares has been since reversed from Securities premium account. Similarly 38,420 shares (Rs 38,420) have been reduced from share capital as consideration not received. The Company had accounted for the ESOP in accordance with Guidance Note on Accounting for Employee Share Based Payments. Accordingly, the loan given to the ESOP trust has been disclosed as "Amount recoverable from Net Avenue Technologies Private Limited Employees Welfare Trust" in the balance sheet and the shares purchased out of the loan are shown as a part of the share capital.

The management believes that the amount of loan receivable from the ESOP trust is fully recoverable based on budgeted plan and hence no provision is made in the books.

(b) Details of the shares reserved for issue under options

The Company issued options under the Employees stock option policy 2013 ("2013 Plan") in the financial year 2013-2014. The 2013 Plan covers all employees on the permanent rolls of the Organisation and who can be assigned eligibility scores using an ESOP Scoring Matrix 2013. The objective of this 2013 Plan is to encourage ownership of the Company's equity by its employees on an ongoing basis. The 2013 Plan is intended to reward the employees for their contribution to the successful operation of the Company and to provide an incentive to continue contributing to the success of the company.

The scheme provides that these options would be vested in tranches as follows

INDEPENDENT AUDITOR'S REPORT

To the members of Net Avenue Technologies Private Limited

REPORT ON AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone financial statements of Net Avenue Technologies Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022 and the Statement of Profit and Loss for the year then ended and the Statement of Cash Flows for the year then ended including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Emphasis of Matter

Attention is drawn to Note 38 to the standalone financial statements regarding the delay in remittances/collections of certain overdue balances to/from its wholly owned subsidiaries. We understand from management that the Company is in the process of settling the payable balances to its wholly owned subsidiaries in the due course and obtaining such consents / approvals / condonations as may be required from the authorized dealers and other statutory authorities.

Our opinion is not modified in respect of this matter.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Directors' report / the management report but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management and those charged with Governance for Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing our opinion under section 143(3)(i) of the Companies Act, 2013 on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the companies (Accounts) Rules 2014.
 - (e) At this juncture, we are unable to comment whether the matter described in the Emphasis of Matter paragraph above, may have an adverse effect on the functioning of the Company
 - (f) On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) Pursuant to MCA notification dated 13th June 2017, reporting on adequacy of the internal financial controls over financial reporting is exempted for this company
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations as at 31 March 2022 which would impact its financial position.
 - ii. The Company does not have long term contracts including derivative contracts on which any material foreseeable losses needed to be provided.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 45 to the financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The management has represented, that, to the best of its knowledge and belief, as disclosed in Note 45 to the financial statements, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that

Annexure A

Referred to in paragraph 1 on 'Report on Other Legal and Regulatory Requirements' of our report of even date to the members of Net Avenue Technologies Private Limited ("the Company") on the standalone financial statements as of and for the year ended 31st March 2022

- (i) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular program of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the management during the year. In our opinion, and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property. In respect of immovable properties of land and building that have been taken on lease and disclosed as right of use assets in the financial statements, the lease agreements are in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment and intangible assets during the year and hence this clause is not applicable to the Company.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibitions) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) a) The inventory has been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. In our opinion, the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on verification between the physical stocks and the book records are not 10% or more in the aggregate for each class of inventory.
- b) There are no loans sanctioned for working capital limits in excess of five crore rupees and hence this clause is not applicable.
- (iii) Based on our audit procedures & according to the information and explanation given to us, the Company has not made investments in, not provided any guarantee to companies during the year.
- (iv) Based on our audit procedures and according to the information and explanation given to us, the Company has neither given any loan, guarantees and security nor made any investment during the year covered under section 185 and 186 of the Act. Therefore paragraph 3(iv) of the Order is not applicable to the Company.
- (v) Based on our audit procedures and according to the information and explanation given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of the Act and the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

(vi) The Company is not required to maintain cost records specified by the Central Government under sub section (1) of section 148 of the Act. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.

(vii)
